COMMUNITY SERVICE & STUDENT RECOGNITION

Oregon Area Health Education Centers (AHEC) bring the opportunity of Youth Health Service Corp (YHSC) to rural high school students.

YHSC is a proven program of community service and curriculum for student interested in healthcare careers, community service, and working with vulnerable populations. AHEC offices provide all materials and train your teacher or volunteer to utilize the materials with student for class or after-school groups.

Three Tier Structure

Tier	Training Modules	Hours
Tier 1	Module 1: The Homeless Population Module 2: Ethical and Legal Issues Module 3: Applied Health Services	10 hours
